

MINIMUM QUALIFICATIONS
Professional Master of Science (MS)
Master of Occupational Therapy (MOT)
For Students with an Undergraduate Degree in a Discipline other than OT

- **Undergraduate Grade Point Average (GPA):** All applicants must have a minimum undergraduate cumulative GPA of 3.0 on a 4.0 scale to be considered for enrollment per the rules established by the Graduate School at Colorado State University.
- **Feasible plan to complete undergraduate degree:** For applicants currently completing their first undergraduate degree, satisfactory completion of that degree must occur prior to fall admission into the master's program.
- **Feasible plan to complete all prerequisites:** For applicants currently taking prerequisite courses, satisfactory completion must occur prior to beginning fall semester classes in the master's program. The minimum accepted grade for any prerequisite is a C; however, grades of A and B are recommended.
- **Graduate Record Examination (GRE):** Applicants are required to take all three sections of the GRE General Test. No minimum score is required. Applicants must request their official score be sent to CSU (#4075) from the GRE Testing Service and must report their scores in the CSU Graduate School application by the application deadline. Although the official scores are not required by the application deadline, the official scores must be received by CSU shortly after the deadline and will be used to verify unofficial information reported in the CSU Graduate School application.
