

**You are invited to attend the
American Occupational Therapy Association-Fieldwork Educator Certificate Program (FWECP)**

Friday and Saturday – September 29 and 30, 2017
8:00 a.m. to 5:30 p.m.
Colorado State University Occupational Building Room #101
Fort Collins, Colorado 80523-1573

As an occupational therapy fieldwork educator, your knowledge, supervision, and ability to teach are critical to the success of your students and to the future of occupational therapy. This course is designed specifically for OT & OTA fieldwork educators and academic fieldwork coordinators.

Why should I take the FWECP workshop?

- ✓ Deeper understanding of your role as a fieldwork educator.
- ✓ Effective strategies to integrate learning theories and supervision models.
- ✓ Increased skills to provide high-quality educational opportunities during fieldwork experiences.
- ✓ Interaction with trainers through dialogue and reflections about fieldwork.
- ✓ Engagement in 4 curricular modules: administration, education, supervision, and evaluation.
- ✓ Analysis of strategies to support best practice in fieldwork education.
- ✓ Continuing education credit (15 contact hours) toward licensure renewal.

How does the workshop relate to my professional responsibilities beyond working with students?

- ✓ Goes beyond fieldwork educator role by providing guidance stimulating staff development.
- ✓ Effectively manage interpersonal conflicts.
- ✓ Designing employee professional development plans.
- ✓ Enhance the quality of your OT program.
- ✓ Continuing education credit, 15 contact hours toward licensure renewal.

Carol Chop, MS, OTR/L and Patty Stutz-Tanenbaum, MS, OTR/L, FAOTA, Academic Fieldwork Coordinator are the FWECP trainers who will facilitate the workshop, sponsored by Colorado State University Occupational Therapy Department. Lunch will be provided as well as snacks and refreshments in the morning and afternoon. Plan on being with us starting at 8:00 a.m. and ending at 5:30 p.m.
